titan security key from google

TWO-FACTOR

Google Will Replace Titan Security Key

Over a Bluetooth Flaw

BY LILY HAY NEWMAN

Google will replace any Titan BLE branded security key after disclosing that a nearby attacker could use it to compromise your accounts.

Boosted rev scooter

ZIP DRIVE

Boosted’s Rev Might Make You Want to Ditch Scooter Share

BY ADRIENNE SO

In the sharing versus ownership debate, this new electric scooter

makes a convincing argument for buying one.

YIKES

Microsoft’s First Windows XP Patch in Years Is a Bad Sign

BY BRIAN BARRETT

A very bad vulnerability in Windows XP could have serious ramifications, even with a patch.

Donald Trump

HEALTH

The Trump Admin Is Scrubbing Obamacare From Government Sites

BY ISSIE LAPOWSKY

A new report documents changes to government websites—some subtle, some sweeping—that researchers say undermine the Affordable Care Act.

SANCTIONS

When Google Serves Ads in Iran, Advertisers Pay the Price

BY ISSIE LAPOWSKY

Advertisers say that Google makes it far too easy to accidentally run ads in countries under US sanctions like Iran, North Korea, or Syria.

woman screaming in dark room

EEEEEEKKKK!

What's So Special About Human Screams? Ask a Screamologist

BY DANIEL OBERHAUS

A better understanding of the acoustics of screaming could help scientists understand how and why humans shriek—and add a new dimension to the surveillance state!
